Dear Sir, I have the honor to inform you of the 1st Mr. & our board having declined discounting the note you sent I return it enclosed —

The oft in stock for \$100 I have forwarded for collection & will place to your credit when paid — pressed with applications from our immediate citizens & dealers who have strong claims upon us & being obliged to decline many applications of an undoubted character, we cannot with convenience continue the present loan — beyond — if however you can spare us of payment on the 1st of October it will give us pleasure to discount a new note for you payable at that period — you will please advise us of your determination by return mail in order that we may be governed accordingly —

Crs. Wm. W. Mac.
